

Olney Infant School - Fronter Champion's Lunchtime Club

Over the past year we have worked with over 30 Year 2 children developing skills and embedding their use of Fronter to enhance their online learning and collaboration. Our aim has been to give our Champions the confidence to be able to share their knowledge with their peers, teachers and parents. We have been supported by a student teacher and a parent governor.

Fronter Champions invitation

Fronter Champions Certificate

One lunchtime per week we worked together learning new skills

Weeks 1, 2, 3 - Personalise my home page.

Please bring with you a photo of yourself on a CD or memory stick. If you can't do this we will take a picture of you. You'll then learn how to upload an image to Fronter. (This was backed up by pictorial step by step guides)

You will then be adding in some fun information about you, your family, hobbies, likes, pets etc.

Week 4 (Book Week)

Add in a photo of yourself dressed up as a character
Tell us about your favourite book week activity, use different fonts, colours, and sizes

Can you put a photo on about your half term activities and tell us about them?

Week 5 (Follow-up to E-Safety week)

Tell us all about being safe, understand how to find our e safety room and show it to your family

Week 6

Put in links to your favourite web sites

Week 7/8 (blog on Year 2 Transition room)

Tell us about your recent visit to Olney Middle School

Fronter Champions Club in full swing

Customising "My homepage"

I think Fronter Club is very interesting, now I've got more things that I can do
Oliver Year 2

I really enjoy Fronter Club because now I know more about computers
Charlotte Year 2
Year 2

Despite the intricacies of Fronter the children have done some amazing work
